Please submit a notification of commercial operation for each listed Network Upgrade to SPP as soon as the Network Upgrade is complete and in-service. Please provide SPP with the actual costs of these Network Upgrades as soon as possible after completion of construction. This will facilitate the timely billing by SPP based on actual costs.

On an ongoing basis, please keep SPP advised of any ability on Western Farmers Electric Cooperative's part to complete the approved Network Upgrade(s). For project tracking, SPP requires Western Farmers Electric Cooperative to submit updates on the status of the Network Upgrade(s) on a quarterly basis in conjunction with the SPP Board of Directors meetings.

However consistent with Section 20.1 and 32.10 of the SPP OATT, Western Farmers Electric Cooperative shall also advise SPP of any inability to comply with the project(s) Schedule as the inability becomes apparent. All terms and conditions of the SPP OATT and the membership Agreement shall apply to this project(s) and nothing in this letter shall carry such terms and conditions.

Don't hesitate to contact me if you have questions or comments about these requests. Thank you for the important role that you play in maintaining the reliability of our electric grid.

Sincerely,
