## **2015 ITP Near-Term S0/S5 Project Listing posted**

The 2015 ITP Near-Term project listing for Scenarios 0 and 5 has been [posted](#) with the “TWG 12/10/2014 Meeting Materials” in preparation for the upcoming Transmission Working Group meetings, as well as the Engineering Planning Summit.

Consistent with the ITP10 process, this is the full list of projects being considered for the 2015 ITP Near-Term portfolio for Scenarios 0 and 5. Several steps in the ITPNT process still remain, including the CBA scenario analysis, to provide the final portfolio of projects for the stakeholders to consider.
