

2020 ITP - DPP Submittal Form - Updated

SPP staff has received feedback from stakeholders that the Excel macro being utilized for the validation button in the updated [DPP Submittal Form](#) can result in incorrect errors for some fields containing hyperlinks. The issue has now been corrected and an updated version of the form has been posted to [SPP.org](#).

If you have already completed a DPP Submittal Form using the previous version posted March 12 and receive any errors related to the fields with hyperlinks you may ignore those errors, but please also ensure all appropriate fields and tabs are filled out.

For any other issues, please open an [RMS](#) ticket using the helpful links below, or reach out via email and we will be glad to help you work through those issues.

Reminder:

The 2020 Integrated Transmission Planning (ITP) Assessment Detailed Project Proposal (DPP) Transmission Planning Response Window is currently open and will remain open until [April 23, 2020 at 11:59 p.m. CDT](#).

Although the deadline for DPP and non-DPP stakeholder submittals is **[11:59 p.m. CDT on Thursday, April 23, 2020](#)**, in order to meet assessment timelines, ***we are encouraging and would appreciate everyone submitting their DPPs as soon as possible for staff validation and review.***

The updated DPP Submittal Form and Instructions are located under Related Documents on the [Detailed Project Proposals](#) page on [SPP.org](#).

Helpful Links and Access

For access to any of the 2020 ITP assessment documents in [GlobalScape](#), see the instructions for [confidentiality agreements](#) and submit the appropriate form via [RMS](#) using the "GlobalScape Access Request" Quick Pick. Other helpful links can be found on [SPP.org](#).
