

MEMORANDUM

To: SPP Qualified RFP Participants
From: SPP Regulatory Processes Department
Date: April 30, 2021
Re: RFP000004 Butler-Tioga

On February 5, 2021, Southwest Power Pool, Inc. ("SPP") received a request from Evergy Kansas Central, Inc. ("Evergy") to re-evaluate the Butler-Tioga Competitive Upgrade, which was approved by the SPP Board of Directors on January 26, 2021 for construction as part of the 2020 Integrated Transmission Plan. SPP issued the Request for Proposal ("RFP") for the Butler-Tioga Competitive Upgrade to Qualified RFP Participants on February 2, 2021.

On April 27, 2021, the SPP Board of Directors approved the Staff recommendation to withdraw the Butler-Tioga Competitive Upgrade as a result of the re-evaluation of the project that was performed in accordance with Attachment Y, Section VIII of the SPP Tariff. This memorandum serves as notice that the Butler-Tioga Competitive Upgrade has been withdrawn and the Transmission Owner Selection Process ("TOSP") for the Butler-Tioga Competitive Upgrade has been terminated.
