

2021 ITP Final Assessment Report for Approval

- **Action Required**

SPP staff requests stakeholders to review the final 2021 ITP Assessment Report for approval at the [joint ESWG/TWG January 4, 2022 net conference](#). Sections 1-5 previously posted for stakeholder review now some modifications, including target area updates. Sections 6-11, the Executive Summary, project descriptions, portfolio costs and benefits, and NTC recommendations have now been integrated for the first time into the report for your review.

- **Entities Required to Provide Feedback**

All interested stakeholders.

- **Due Date and Method of Submittal**

Staff will be requesting approval of the 2021 ITP Assessment Report during the [joint ESWG/TWG January 4, 2022 net conference](#). Please provide feedback prior to December 30 as SPP offices will be closed on December 31 to celebrate the New Year’s holiday to allow time for incorporation of any necessary changes.

- **Changes from the [initial draft](#) posting November 19, 2021**

- Executive Summary added
- Modified sections 1-6, including adding additional target area information
- Added new sections 7-11

- **File location in the [ITP Postings](#) folder**

This file will be posted on SPP.org under the [ITP Postings](#) folder. This will not be posted to GlobalScape.

| File Name | Description |
|--------------------------|---|
| 2021 ITP Report_v0.2.zip | Final 2021 ITP assessment report for stakeholder approval |
