AGENDA ITEM 2 – UPDATE ON WEBECC MIGRATION PLAN

OATI and RC West are currently testing webECC v2.2.0.2. WebVision migration changes to User Management (company admins only), Basic Information, Organization/Security Roles Tab, Extension Information. Testing and implementation: 8/2/2024 demo migration, August/September for review and training, Week of 9/23/2024 plan to migrate PROD webECC to webVision 2.0. This will be a coordinated transition as only one system can be online. There will be a small change to the URL syntax. Users will need to reset passwords; click forgot password link. There will be a banner in webECC that will point users to the new URL.

AGENDA ITEM 3 – ECC EXPANSION

SPP & RC West presented the whitepaper at the WECC RRC in July. The group was supportive of the proposal. Next steps include benchmarking for model and mapping, as well as drafting the NAESB SAR. SPP and RC West are currently meeting every two weeks to discuss these items.

AGENDA ITEM 4 – ECCWG MEMBERSHIP DISCUSSION

The group discussed the charter requirements for membership. There are several positions that need to be updated/filled. Emily Granberry (SPP) to send an email to the membership to update the roster.
